**Sub:- Dematerialisation of TDS Certificate - Procedure for verification of TDS in respect of Government deductors.**

**I. Existing procedure**

Until the financial year 2004-05, Drawing & Disbursing Officers after making TDS deductions were required to issue necessary TDS Certificates (Form 16/16-A as the case may be) to enable the taxpayers to submit the same with their Tax Returns. The TDS collections made in the States are initially classified under a suspense head in the books of State Accountant General and passed on to ZAO concerned by issuing a Cheque/ Demand Draft.

**II. New procedure**

(i) The Finance Act 2004 has made necessary changes in the Income Tax Act for introduction of the scheme for dematerialisation of TDS Certificates w.e.f. 1.4.2005. New procedure for filing TDS Returns and TDS Statements has been formulated vide para 4.16 of Ministry of Finance (CBDT) Circular No 6/2004 F. No. 275/192/2004/IT (B) dt. 6.12.2004.

(ii) As per the procedure all deductors including Government deductors, will have to file quarterly TDS returns giving deductee-wise breakup of all deductions made by them. These returns will be filed on electronic format with Tax Information Network (TIN). TIN will verify particulars relating to deposit of TDS given in these quarterly TDS returns with the corresponding information of TDS uploaded to TIN by the Banks in case of private deductors and 'TDS Book Adjustment Form' in case of Government deductors. In case of State Government deductors respective Accountants General compile the accounts of the payments made by the State Treasuries and send a Demand Draft with Treasury wise details for the amount of Income Tax deducted at source by State Government DDOs to the ZAO for depositing the same to Government Account. The ZAOs will upload particulars of TDS deducted by the State Government DDOs (i.e. the TDS Book Adjustment Form) to TIN on the basis of the DDO wise details of the TDS to be provided by the AGs.

(iii) The Income Tax Department will post deductee-wise particulars of TDS to the Ledger Accounts of each deductee identified by their PAN. After the close of the year TIN will issue an annual statement of TDS to each deductee U/s 203 AA of the Income Tax Act giving full particulars of all taxes deducted on his behalf by different deductors. The new system is being introduced to ensure that all taxes deducted are reconciled with the credits claimed by different deductees in their respective returns of Income Tax. This will eliminate possibility of bogus TDS Certificates and related TDS frauds. This will also enable eventual elimination of the issue of TDS Certificates by deductors and the requirement on the part of deductees to enclose the same with their respective returns of income leading to dematerialisation TDS certificates and enabling paperless filing of returns of income.
